Report of Principal and School Improvement Council

The Seneca Middle School family of students, faculty, staff, parents, and community celebrated an outstanding 2011-12 school year. We began the year with the following curricular goals at the forefront of our instructional program: differentiate instruction in all classes to reach all students, teach and model literacy in all classrooms to provide growth in our greatest student achievement deficiency, and use data to drive instruction.

As we progressed through the year, our school was honored to receive many accolades and recognitions. Our school completed Year 4 of our 21st Century Grant that allowed us to continue an extensive after school program. Likewise, we continued our implementation of the MMGW framework and continued to execute recommendations made from the 07-08 Technical Assistance Visit. The effects of our advisory period, PBIS program, and tremendous parent/faculty/student effort created another year of reduction in disciplinary referrals from last school year. This comes in addition to our 37% reduction we experienced from the 09-10 to 10-11 school years. SMS successfully completed another year of single gender instruction in our Health/PE, Choral, and our advisory periods. 64.7% of our 7th and 8th graders received a minimum of .5 high school credit toward a diploma this school year. 22 Wildcats were named South Carolina Junior Scholars, 8 students were selected as Duke TIP Scholars, 1 student placed in the top 3% and 2 others placed in the top 10% of area middle and high school students on the Biology Merit Exam, our football and boys basketball teams won the regular season NCMSAA Conference Championships, a 7th grade female athlete placed 3rd in the discus and 4th in the shot put at the AAA state finals in track and field, 3 Wildcats were selected to participate in the SC Governor's School for Arts and Humanities Summer Discovery Program, 1 more was selected to participate in the Appalachian Regional Commission/Oak Ridge Associated Universities Middle School Summer Science Academy – limited to 26 students from the entire 13-member states, and the Incredible Edibles from SMS won 1st place in Robot Design at the State First LEGO League tournament. Our Choral Program placed 7 students to the South Carolina Chapter of the American Choral Director's Association Junior High Honor Chorale. These 7 choral students are 7 of 230 chosen statewide. We have had a fantastic year!

Seneca Middle School is gifted with excellent faculty, staff, students, parents, and community which, together, mold and prepare our greatest resource – our children.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	82.1
Overall Grade Conversion	B
